# FASTENERS

## We Make It Easy to Make the Right Choice

Offering only products which meet our high quality standards, Integrity Metals' deep understanding of your business will help you choose the right fastener for your project every time.

*Fasteners always available in painted colors to match metal panels.*

### METAL-TO-WOOD

#### GOOD

WoodZip™ #10 – entry level carbon steel fastener with a bi-metal cap.

- ✓ 1/4" HWH; TP-17 point
- ✓ EPDM bonded sealing washer
- ✓ Full stainless steel option also available

#### BETTER

WoodZAC™ #10 and #12 carbon steel fasteners with zinc-alloy cap offer stable and quick driving performance.

- ✓ High 5/16" Cup Style HWH; TP-17 point
- ✓ #14 replacement screw available
- ✓ Integrated EPDM bonded washer
- ✓ Lifetime warranty<sup>†</sup> against red rust

#### BEST

S.C.A.M.P. – #10 and #12 premium fasteners with longest life expectancy. Full 304 series stainless steel cap and carbon steel shank for high holding and clamping power and protection against surface corrosion and discoloration.

- ✓ 1/4" or 5/16" HWH; TP-17 point
- ✓ No pre-drilling required
- ✓ Stainless Steel/EPDM "free spin" bonded sealing washer
- ✓ Lifetime warranty<sup>†</sup> against red rust
- ✓ Miami-Dade Product Listed

### METAL-TO-METAL

#### GOOD

Impax™ #12 self-driller designed for light to medium gauge drill and tap substrates.

- ✓ 3/8" HWH; Integral SD3 drill point
- ✓ Available with or without bonded EPDM washer

#### BETTER

ZAC™ #12 self-driller carbon steel with uniform zinc-alloy cap to drill and tap .035" - .210" steel.

- ✓ 3/8" or 5/16" HWH; SD3 drill point
- ✓ Integrated EPDM bonded washer
- ✓ Lifetime warranty<sup>†</sup> against red rust

#### BEST

S.C.A.M.P. – #12 and #14 premium self-driller to drill and tap 0.036" to 0.210" steel. Full 304 series stainless steel cap and carbon steel shank for high holding and clamping power and protection against surface corrosion and discoloration.

- ✓ 5/16" Cupped HWH; SD3 drill point
- ✓ Powder-coated
- ✓ Thick EPDM assembled sealing washer
- ✓ Lifetime warranty<sup>†</sup> against red rust
- ✓ Miami-Dade Product Listed

### BEST LOW-PROFILE

#### PANCLIP and PANCLIP XLP

The leading certified low-profile fasteners on the market. Available for both metal-to-wood and metal-to-metal applications offering a larger clamping surface compared with Philips flathead.

- ✓ Full DMG85 silver coating resists corrosion
- ✓ Also available in full 304 stainless steel

### BEST RIVETS

#### #43 RIVET

Corrosion resistant 302 / 304 stainless steel for blind fastening.

- ✓ 1/8" dia. body; 5/16" body length
- ✓ Corrosion resistant silver coating
- ✓ High-clinch action
- ✓ Grip range 1/8" – 3/16"
- ✓ Available painted or unpainted

### BEST CLIPS

#### G-90 PAINTED STEEL or 304 STAINLESS STEEL CLIPS

Made in the USA and engineered to work with profiles fabricated with your specific rollformers.

- ✓ Silver coating resists corrosion
- ✓ Snaplock and mechanical seam
- ✓ 2-piece, expansion and sliding options
- ✓ Built-in clip relief

# OTHER ACCESSORIES

## From Eave to Ridge and Gable to Gable, We've Got You Covered

Our experience and these industry leading solutions ensure that you're using the best product for the job.

### SEALANTS & ADHESIVES

Industry accredited best-in-class sealant products to form watertight bonds on metal construction surfaces for maximum adhesion, compatibility, weatherability and performance. Manufacturers include Bostik, Sherwin Williams and DMI.

### CLOSURES & VENTING

Custom cut foam closures keep moisture, dust and pests out. Ventings push hot air out and bring cooler air in for years of energy saving performance. Suppliers include DMI and Ventco.

### INSULATION

Top-of-the-line resilient, light density faced fiberglass insulation from Bay Insulation or foil reflective radiant barriers from Covertech.

### TOUCH-UP PAINT

Integrity Metals partners with FinishMaster for matched metal panel touch-up paint so you can order as needs arise.

### PIPE BOOTS & FLASHINGS

Universal and retrofit flashings by Direct Metals in EPDM and silicone high temperature models.

### SKYLIGHT PANELS

High-performance polycarbonate Florida Product Approved with wind-resistant, hail-resistant and self-extinguishing properties.

# CUSTOM METAL WORKSHOP

**If You Can Dream It,  
We Can Build It!**

Custom trim and flashings tailored to each specific job are only the beginning of our capabilities. Integrity Metals' master craftsmen can set your project apart with anything from custom chimney caps and vent hoods to one-of-a-kind copper fire pits, bar tops, cupolas and steeples. Let us know how we can help you bring your customer's visions to life.
